Brothers Paving & Concrete Corporation is scheduled to perform contract **CONCRETE SIDEWALK, APRON and/or CURB & GUTTER** repairs and replacement throughout the community near or at your residence. The current schedule, *subject to weather and/or production related conditions*, is as follows:

- **DO NOT PARK INFRONT OF WHITE NO PARKING SIGNS**
- **DO NOT PARK INFRONT OF RED NUMBERS ON MAP**

PROJECT STARTS 7AM THROUGH 5PM DAILY AS PER SCHEDULE

For areas that include concrete driveway aprons, please do not drive on new concrete until 4 days after or at a minimum of 72 hours after completed

The concrete replacement locations have been marked with Big **WHITE** Xs. Please do not park within **TWO PARKING SPACES EACH SIDE, OR 50 Feet** of the marked areas between the hours of **7 am – 5 pm** on the scheduled dates noted above so that the required full, safe access is to be provided to each location.

If applicable, please remove any decorative borders and/or overhanging landscaping (flowers, shrubs, grass, **marking of sprinkler systems required as applicable**, etc.) from the marked locations as the contractor will require to have access to place forms along the border for the new concrete. The contractor will not be responsible for removal of and/or damage to any landscaping or other items that may impede upon the designated work area.

Any vehicle that is blocking access to the marked work areas will have to be towed at the vehicle owner's sole risk and expense in order to facilitate safety and a efficient operation.

If you have any questions or have special circumstances that would warrant further assistance, please contact the Management Office at **BLewis@cmc-management.com**
